This sample meets the health objective guidelines for Canadian Drinking Water Quality for the parameters below. (See Exceeds Standard Column)

Parameter	Value	Reported Units	Exceeds Guideline	GCDWQ Level	Health Objective
E.coli (Fecal Coliform) (P/A)	ABSENT				MAC
Total Coliform (P/A)	ABSENT				MAC
Free Chlorine Residual	0.1	mg/L	Yes	0.2 to 4.0 mg/L	

GCDWQ = Guidelines for Canadian Drinking Water Quality
MAC = Maximum Allowable Concentration IMAC = Interim Maximum Allowable Concentration AO = Aesthetic Objective

PRIVATE RESIDENCE

1. If any COLIFORMS (E.coli or Total) are present, water source should be disinfected or water boiled prior to consumption. Health Canada recommends that water contaminated with any coliforms be maintained at a rolling boil for at least 1 minutes prior to being consumed.

2. Refer to the provided information regarding suggested safety measures. After disinfection, resample at all regular sampling locations as soon as possible.

3. Contact the NS Department of Health or the NS Department of Environment for additional information, including disinfection instructions or check their website (http://www.gov.ns.ca/nse/water/privatewells.asp).

NSDE REGISTERED PUBLIC DRINKING WATER SOURCES

1. Owners of Registered public drinking water supplies are required to immediately report positive results to their local Department of Environment (NSDE) office. If the local office cannot be reached, the NSDE Environmental toll free number is 1-877-936-8476. Registed public drinking water sources are also required to resample withing 24-hours of receiving notification of presence of any coliforms and forward results immediately to NSDOE.

2. If any COLIFORMS (E.coli or Total) are present initiate a BOIL WATER ADVISORY. Health Canada recommends that water contaminated with any coliforms be maintained at a rolling boil for at least 1 minutes prior to being consumed.

3. Contact the NS Department of Health or the NS Department of Environment for additional information, including disinfection instructions or check their website (http://www.gov.ns.ca/nse/).
